

MEZE

DESSERTS & LIQUEUERS

MENU

MEZE

Meze are simple dips and salads, originating from the nomads and settled villagers of Anatolia (Turkey), and meant for sharing at communal meals.

A typical Turkish meal for four people would consist of a selection of perhaps 4 or 5 meze dishes, placed in the centre of the table for everyone to dip into, and served with warm, fresh bread.

This is followed by a simple grilled or baked dish of lamb, fish or vegetables for each person, served with bulgur and salads. Desserts are based on filo pastry with nuts or fruits served fresh or baked in sugar syrup.

Here at Meze Restaurant, you can follow the traditional format described above, or just a main meal or a pizza, whatever you wish.
